

Ahoy Egg Harbor Owners! Varnishing? Keep it steady with

CAN-PORT tm

A neat holder for can, lid, brush & beverage!

CAN-PORT is remarkable

- *holds the can snugly to prevent spills*
- *is steady on the sloped deck*
- *has a place to set a wet brush*
- *stows the lid*
- *keeps sandpaper from flying away*
- *keeps a beverage handy*
- *is easily moved about – the foam is firm enough to carry with one hand!*
- *is re-usable from year to year - no clean-up needed*

Before using, line the brush slot with a sandwich size plastic bag to prevent varnish from seeping through the foam. Keep the bag in place with straight pins.

Deb Horner "What a Hoot" Holland, MI

Only \$11.95* plus \$4.25 s&h

*Michigan residents add 6% sales tax.
